\*Over the counter medications (OTC)

\*Prescription medications

\*Allergies

Click the manage button for each section. Once you have complete the section the red text will change to green.

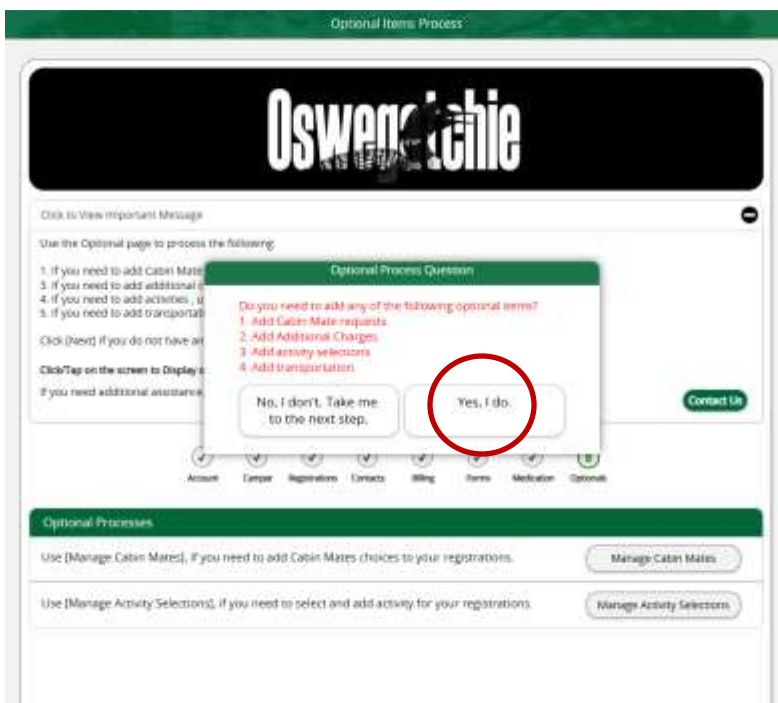

Next the system will prompt you to enter “optional” items.

In our system this means

\*Cabinmate request

\*Activity selections

You can come back later and add these items.

It is highly encouraged that the campers select their preferences for activities, not parents.

You can do this step now or at least two weeks before the camp session begins. Some activities do have limited space, campers who request first will be placed first, until all spots are filled. If campers do not make requests on this page they will be placed in the classes that are open and available by a staff member.

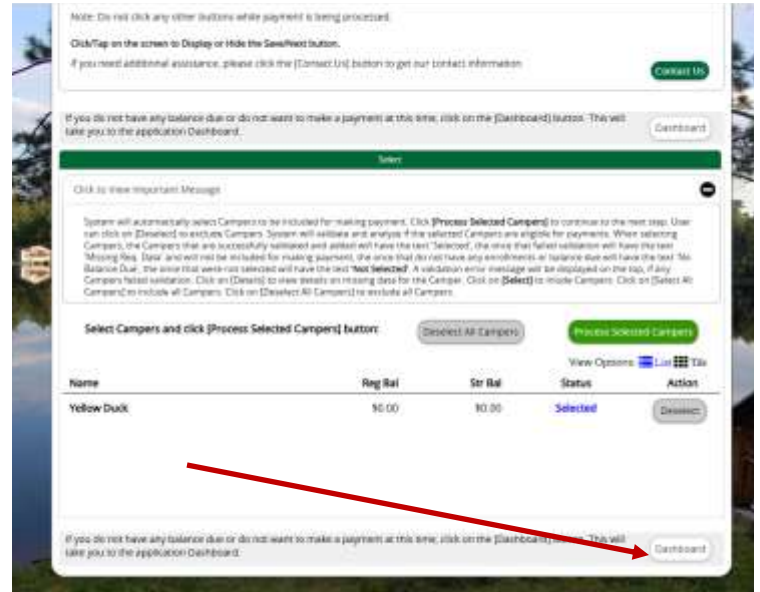

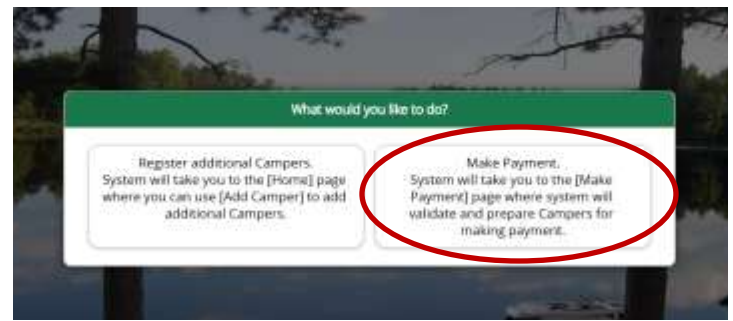

Activity selections are to help us create a schedule for your camper, they are not a guarantee of schedule. There are required classes that all campers take, such as leadership, low ropes and high ropes.

Your #1 activity should be a the activity you wish to do the most. Fill in all activities-do not leave blanks. You are most likely to receive your top 8 selections.

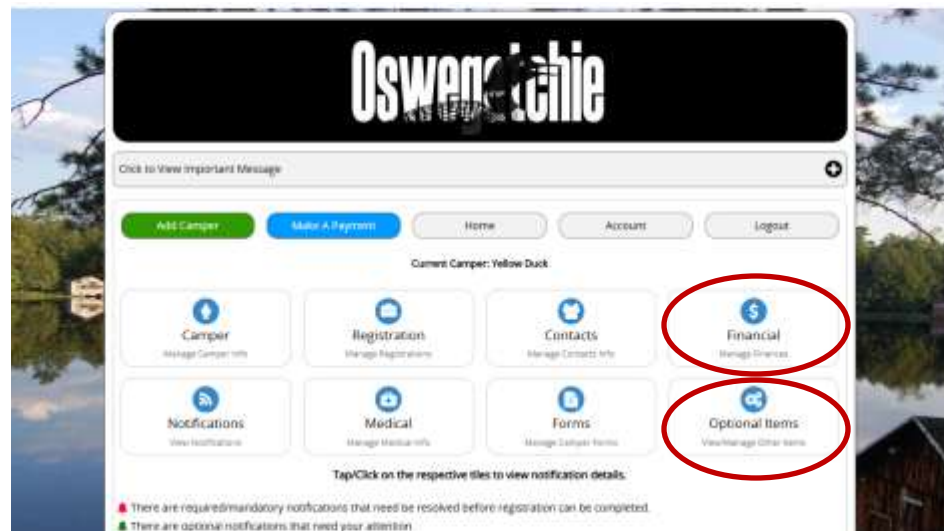

When this page comes up, you can register another camper within the same family OR you can select make a payment to move forward.

If your school is covering part or all of the camper payment, no payment will be due here, please pay your school directly. They will pay us.

To check your work click “Dashboard”  
You can view all the information that you have provided, and make changes here.

In Optional Items you can edit campmate request and activities.

In Financial you can add funds to a camp store account if you wish for your camper to be able to make purchases while at camp.

Your camper can also bring cash or a check to be placed into the camp store on the day they arrive at camp.

Campers will be given cash back on Friday if they do not spend all of their camp store funds.

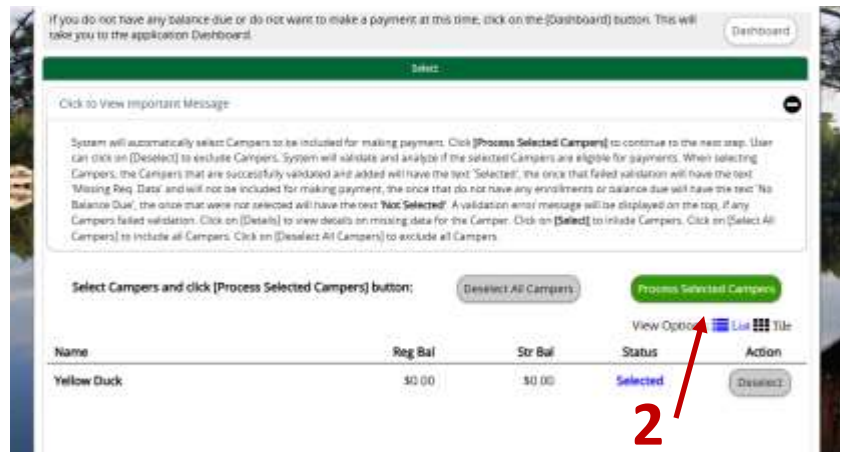

The camp store sells apparel, candy and soda. An average amount campers place in the store is from \$50 to \$100.
